

This Weeks 'What's Happening'

Weekend Adventures with Milo Our 50 Things To Do Before You're 5 Monkey.
Milo visited the swimming pool at the Keighley Leisure Centre with Rifat. You can play with water in many ways, both inside and outside. For more inspiration visit **Bradford's 50 Things To Do Before You're 5 #26 Splish, Spash, Splosh.**
Download the app at <https://bradford.50thingstodo.org/app/os#>

To view this week's menu please visit the news section of our website and **Summer Week 3a Menu.** Try some of the Better Health, Healthier Families recipes at home! at <https://www.nhs.uk/healthier-families/recipes/>

This week in nursery

Our sign of the week is **Home.**

Watch Lucinda make the actions for the sign at <https://www.youtube.com/watch?v=3Lp10P4PYh0>

This week

Every week the children in **blue** and **yellow** rooms will be taking part in our **'Let's Move'** sessions where they will move to the rhythm of music and copy actions. You can join in at home with Alex on the local Dance for Life Early Years sessions by visiting: -

<https://www.youtube.com/watch?v=qlxMEHuhL40> or visit **50 Things to do Before You're 5 #18 Dance.** Download the app at <https://bradford.50thingstodo.org/app/os#>

This week in the 2-3-year-old rooms

In **red, orange** and **purple** rooms, the children have been developing their large motor skills by practicing balancing, climbing steps, jumping and crawling. This week we will further develop these physical skills by introducing an obstacle course. The children will have the chance to crawl through tunnels, climb over beams and jump from low level equipment, in order to gain control of their whole body through continual practice of these large movements. To further develop your children's skills at home, visit the **BBC's CBeebies Parenting, Play Park Fun With Toddlers** at <https://www.bbc.co.uk/tiny-happy-people/articles/zbhbbbk>

This week in the 3-5-year-old rooms

In **blue, yellow** and **green** rooms the children have been exploring the Duplo and Lego bricks and how to attach them together to make structures. In order to extend this learning, we will introduce a variety of construction kits that rely on different connections such as Poly M and Mobilo. They will have the opportunity to choose the right resources to carry out their own plan and then will be able to revise and refine their fine motor skills further and with more control. All children love connecting items together so why not try playing with jigsaws, train tracks or construction kits at home. Find out more with **Bradford's 50 Things To Do Before You're Five # 11 Making Connections.** Download the app at <https://bradford.50thingstodo.org/app/os#>

Watch **blue** and **yellow** room staff sing **'When Goldilocks Went to the House of the Bears'**

See the video on our Facebook page at <https://www.facebook.com/StrongCloseNS/videos>

and watch the song with BBC Schools at <https://www.bbc.co.uk/teach/school-radio/articles/zbkrf4j>
