

This Weeks 'What's Happening'

Brushing teeth is a key part of children's daily routines and those children that stay at Strong Close for lunch, also brush their teeth after their food. For more information and tips see our [Oral Health and Toothbrushing Support Leaflet](#) on the family support- oral health section of our website at <https://strongclosenscc.co.uk/oral-health/>

Or visit the [BBC's CBeebies Parenting](#) for how to help children to brush their teeth at home and understand their routines better by getting teddy involved too!

Weekend Adventures with Milo Our 50 Things To Do Before You're 5 Monkey.

Last weekend Milo went to Mel's house to celebrate Islay's 3rd birthday with Charlotte and Tommy and they all made playdough together. For more inspiration visit [Bradford's 50 Things To Do Before You're 5 #42 The Rough and the Smooth](#) Download the app at <https://bradford.50thingstodo.org/app/os#>

To view this week's menu please visit the news section of our website (temporarily through Microsoft Edge and not Google) and the [Summer Week 2a Menu](#). Try some of the Better Health, Healthier Families recipes at home! at <https://www.nhs.uk/healthier-families/recipes/>

This week in school

Our sign of the week is **Grandma**.

This week in the 2-3-year-old rooms

In **red, orange** and **purple** rooms, the children have been busy in the collage area where they have been exploring textures and creating collages. This week we will be introducing materials and boxes of different size and shape. The children will be learning how to use glue to hold and connect materials together as they create models to express their ideas. Try to look up the [BBC's CBeebies Parenting](#) to find out about how you can develop your child's language and creativity through modelling at

This week in the 3-5-year-old rooms

In **blue, yellow** and **green** rooms the children have been exploring paint both at the easel and with small palettes. To extend this interest in colour and colour mixing, we will be introducing the children to powder paints for them to learn how to mix them with water. Children love to be able to make their mark. As babies, toddlers and pre-school children, their growing skill with paint, pens, crayons and chalk support them to be strong writers and makers of art. Try downloading the [50 Things To Do Before You're 5](#) app and look at the activity [#4 Make Your Mark](#) for more ideas. Download the app at <https://bradford.50thingstodo.org/app/os#>
