

## This Weeks 'What's Happening At Home'

This Friday marks the start of the summer holidays for the children and sadly this weeks "What's Happening at Home" will be the last one. We would like to wish all the children who are transitioning to Primary School all the best in their new adventure and look forward to welcoming back all our returning children in September.

Why not try making our healthy recipe of the week **Cherry Berry crumble** recommended by **Nigel**. You can find the full recipe at <https://www.nhs.uk/change4life/food-facts>

This week at home download the 50 things app and have a go at **#33 Home From Home**  
**Dens can be made inside or outside in the garden. You can use something as simple as a bath towel or sheet over the sofa to create a cosy hideaway. Why not make a cave for the bear.**

This week's story is **We're going on a Bear Hunt**, listen to Kevin Whately sing this version of the story, maybe you would like to sing along as I'm sure you are familiar with the story.

**Make nature rubbings** - Nature rubbings are a great way to learn about the details of nature. All you will need is some thin paper and crayons. You could try rubbing the bark of a tree or a leaf where you might notice the tiny veins or all the different shapes leaves are. You could also try rubbing things around your house such as keys or coins. See how many different objects you can take prints of.

This week's rhyme is sung to the tune of Twinkle, Twinkle Little Star. It is performed by the staff at Strong Close as a message to all the children and their families.

Why not join in and dance with **Alex**. This week she performs a spaced themed dance. You can have lots of fun being active at home. To watch the interactive session go to <https://youtu.be/qlxMEHuhL40>

Look out for our Big Draw poster with ideas of how you can join in at home and be part of this year's festival. Go to our Website or Facebook page to see ideas and video examples.
