Great British September Clean

11 September to 27 September

People who care about their Neighbourhood are being urged to take part in this month's Great British September Clean. For more info visit www.bradford.gov.uk

This weekend you could try the 50 things app and look at activity # 39 Talking Signs

Communicating includes gesture and signing, Makaton signing helps to support early language development and can help babies and other children who don't yet speak to communicate, reducing frustration
