

This Weeks 'What's Happening'

Book

Our sign of the week is **Book**. Watch Mr Tumble's video about how basic signs and see if you can find the sign for Book at <https://www.youtube.com/watch?v=fIXsU4V0zz8>

**Monday
1st March**

In the **Red** room the children have been introduced to our core story, Oh Dear. The children are remembering some of the key phrases in the book and we have started to discuss where animals live. We are in the process of making an interactive matching game so the children can match up the animal to the correct home, for example, the duck to the pond. Watch the author Rod Campbell read the story for World Book Day at <https://www.youtube.com/watch?v=XygtugVr6qQ>

**Tuesday
2nd March**

In **blue, yellow** and **green** rooms, our letter of the week is "a". You can practice the correct phonetic sound for "a" by watching the letter video at with Evie and Dodge on Cbeebies at :- <https://www.bbc.co.uk/cbeebies/watch/cbeebies-phonics-playlist#playlist>

**Wednesday
3rd March**

Today is World Book Day!! Did you know that reading for pleasure is the single biggest indicator of a child's future success, more than family circumstances, parents' educational backgrounds or income. Just **10 minutes' daily shared reading** benefits every child's future. Don't forget that your child can get **dressed up in their favourite costume or as a favourite book character**.

Please don't buy anything for this just an outfit they already have at home and don't worry if they've grown out of their outfits, we have lots here spare that you child can wear for they day and due to Covid 19 the outfits won't be shared or swapped.

**Thursday
4th March**

Lauren in **yellow** room is reading the core story for **blue** and **yellow** rooms The Odd Egg by Emily Gavett, which has different sizes of egg that hatch. To watch the video of her story visit our Facebook page at <https://www.facebook.com/StrongCloseNS/videos> Why not play a size sorting game at home together. Collect a range of different household objects and practise sorting them into different groups, perhaps by size. Once you have finished, count all the objects in each group.

**Friday
5th March**

In **yellow** room the wood working bench has been added to the environment and the children have been learning how to use the hammer and nails safely and with safety glasses to hammer corks onto wood blocks. This week we will have out bottle tops, lids, felt, small bits of cardboard and cloth and will also be introducing the saw.

50
things to do
before you're
five

50 Things to do before you're 5 #10 Sharing Books

Sharing books is a wonderful thing to do with young children. They can hear about people and places they may never know about. It can get their imagination running. Plus, it helps with developing their language skills. Use you book token this week for World Book Day to buy a special book your child likes. Download the app
