

This Weeks 'What's Happening'

This week we will be receiving our eggs to hatch from Living Eggs. The children will be able to check on their progress as they hatch into chicks and then help to look after them and hold or stroke them! We are all very excited!!

**Monday
8th March**

In the **Red** room the children have continued to explore their core story "Oh Dear." They have been naming farm animals, identifying the sounds they make and learning baby farm animal names. This week like Buster in the story the children will be introduced to the chick eggs and use focussed activity bags at group time which will include counting to 5. They will also be singing the song Chick, chick, chick chick, chicken!

**Tuesday
9th March**

In **blue, yellow and green** rooms, the children will be revisiting the letters from the last two weeks of 'a' and 's' by sorting objects beginning with each sound. Try this at home and check on the sounds with Evie and Dodge from Cbeebies at :-

**Wednesday
10th March**

The staff in **green** room have been singing wiggly woo from Bradford Libraries Rhyme Challenge visit our Facebook page at <https://www.facebook.com/StrongCloseNS/videos> and find the words to the song at

**Thursday
11th March**

10am Virtual Café for parents/carers of children with Special Educational Needs. Come and have a chat with other parents. Also if you have **Disability Living Allowance** find out how to apply for the Disability Access Fund, with Emma our Parental Involvement Worker. For information on how to join in, contact Emma on 01535 605272 or email office@strongclose.co.uk for a zoom invite.

**Friday
12th March**

In **blue room** the children have been making buns and biscuits at the playdough table using the jewels. So this week we are going to develop their fine motor skills by adding different tools such as scissors, garlic press and adding match sticks and feathers. Why not try making playdough at home.

Visit Tiny Happy people to see how at :-
