

This Weeks 'What's Happening'

Parent/ carer consultations. If your child is in **blue** or **yellow** room and you've received an email for a consultation this week, It's not too late to book an appointment. Just follow the instructions on your email.

**Monday
26th April**

Our sign of the week is **to eat**.

Watch Lucinda and Zak make the sign at

<https://www.youtube.com/watch?v=kLFwK1-einI>

**Tuesday
27th April**

In **blue**, **yellow** and **green** rooms, our letter of the week is "**p**". You can practice the correct phonetic sound for "**p**" by watching the letter video with Evie and Dodge on Cbeebies at:

<https://www.bbc.co.uk/cbeebies/watch/cbeebies-phonics-playlist#playlist>

**Wednesday
28th April**

Watch Umme from **yellow room**, read the **blue** and **yellow's** core story of **Jack and the Beanstalk**. For some simple ideas on how to grow seeds and plants visit

<https://www.bbc.co.uk/cbeebies/joinin/down-on-the-farm-grow-your-own-article>

To watch Umme's video see our Facebook page at <https://www.facebook.com/StrongCloseNS/videos>

**Thursday
29th April**

In **red** room the children have been investigating making different marks with both pens and paint, so this week they are going to explore this further by using dry white pens, making a group collage and using mixed media to help develop the children's fine motor skills. Why not have a go at finger painting at home. Visit Tiny Happy People to see how at:

<https://www.bbc.co.uk/tiny-happy-people/finger-painting/zd9jwty>

**Friday
30th April**

All the children are joining in to celebrate the life of Captain Tom Moore by completing the **100 challenge** and doing 100 different actions during the course of the day. They will be doing 10 claps, 10 nods of the head, 10 taps of the nose, 10 pats of the knees and popping 10 bubbles which they will repeat twice to complete the 100. Why not try this at home, you can do 100 of anything anywhere inside or out.

It is more important than ever to remember **Hands, Face, Space and Fresh Air** to keep infection levels down and our friends and family safe. Wash your hands thoroughly with soap and water when leaving the house and returning and regularly throughout the day. When soap and water is not available outside of your home use hand sanitiser. Wear a face covering over your nose and mouth in public places and where you can't keep 2 metres apart from others. Maintain 2 metres social distancing from people you do not live with. Meet in the fresh air to help stop the spread of COVID-19.

50 Things to do before you're 5 - #19 Growing Little people, Plants and Things

You're never too young to start a healthy habit. Plant some vegetables or a sunflower seed and see how high they grow! Download the app <https://bradford.50thingstodo.org/app/os#>
