In **Blue** and **yellow** rooms we have been talking to the children about what happens during Eid and this week we are going to write for a purpose by sending invitations linked to our Eid party on Wednesday and writing shopping lists for Eid.

**Wednesday

Eid Party. Last week many of our families celebrated Eid and today all the rooms will be having an Eid party. The children can dress up in their Eid clothes and therefore we will not have any messy activities out today. **Eid Mubarak!**

**Thursday
20th May**

Last week in **red** room the children showed an interest in the feel of resources and colour where they added paint to the water and then explored coloured cornflour. This week we will be introducing the children to a shaving foam tray with frozen coloured ice cubes. The children can feel the cold and watch the colour swirl into the foam as the ice melts.

**Friday
21st May**

In **blue** and **yellow** rooms, we will be revisiting the phonic sounds we have now learned which are s,a,t,p,i,n. We will then use these sounds to blend into simple consonant, vowel, consonant, or **CVC words** such as sit or pin. Watch how the Alphablock letters make sounds and join together to form the word sat at <https://www.youtube.com/watch?v=6KRC95505Ss>

Watch Saadia from **red room** read their core story of **Goldilocks and the Three Bears** in Urdu on our Facebook page or visit <https://www.facebook.com/StrongCloseNS/videos>

This is **Keighley Together Action Week** (previously Operation Spring Haven) with this winning poster design by Logan from year 3 at Long Lee Primary. All schools in Keighley will be focusing on the local environment, so the children will make extra efforts to look after our outdoor area including picking up litter and sowing wild flower seeds at the side of our building and on our nature trail. We will then make signs to identify our **Wild Flower Meadow** to the public. Perhaps you have an idea for your own local environment such as picking up the litter on your street with your neighbours!
