

This Weeks 'What's Happening'

Last year Strong Close Nursery School trialled the Imagination Library funded book gifting scheme and now we are pleased to announce that **Dolly Parton's Imagination Library Keighley** has been launched. All under-5s living in Keighley East, West or Central wards can get a FREE age-appropriate book every month from birth to their fifth birthday, which they receive addressed to them in the post. This means that from birth your child could build up a library of 60 books! Sign up your child for the Imagination Library programme at <https://imaginationlibrary.com/uk/affiliate/WYKKEIGHLEY/>

Enroll your child & give them the gift of reading...FREE!

As new children start in **red room**, the staff are helping them settle into nursery by singing songs and making relationships. Get to know all the staff in red room and their names by watching their video of our Hello song with all the team. See the video on our Facebook page at <https://www.facebook.com/StrongCloseNS/videos>
Bring in a family photo for our display board to help your child understand and talk about relationships. Find tips for starting nursery with Tiny Happy People at <https://www.bbc.co.uk/tiny-happy-people/prepare-child-for-nursery/zkhrq7h>

Last week in **blue, green** and **yellow** rooms the children have been very interested in the sensory experience of exploring herbs from our allotment in water and the infusions that resulted. This week we will develop their play further by adding

different fruity, herbal and spicy tea bags, and citrus fruits to the water with teapots and cups. At home try Tiny Happy People's Painting with tea bags and talk about the smells and patterns; visit <https://www.bbc.co.uk/tiny-happy-people/painting-with-teabags/zm7t6v4>

#26 Splish, Splash, Splish
Children love to play with water, inside and outside, splashing, pouring...

As all children love to play in water why not try #26 Splish, Splash, Splish from the 50 Things to do Before You're Five app. You could add different everyday items to the bath or set up your own sensory tea party.
