<p>Monday 8th November</p>		<p>Our sign of the week this week is "You"</p>
<p>This week</p>		<p>Children in red room have been engaging in trajectory play as they create lines in spaces by climbing up and jumping down and dropping items from up high. Other children are enjoying enveloping objects or themselves, e.g. some children want to be covered by blankets. To enhance the children's experiences, this week we will be collecting dry, autumn leaves and adding them to the enclosed trampoline for the children to move around in whilst throwing the leaves. We will also be making dens and adding blankets for the children to enclose themselves in. Find out how children learn through trajectory schema at https://www.youtube.com/watch?v=Jc7gEtrzUJk</p> 
<p>Wednesday 10th November</p>		<p>Family Matters Course Would you like to learn positive strategies to help support your child's development, certain behaviours and learning? Come and join our course starting today and delivered over four sessions. To book a place email office@strongclose.co.uk or telephone 01535 605272.</p>
<p>This week</p>		<p>In blue, green and yellow rooms we have introduced the cornflour to the builder's tray where the children collected large amounts with their hands before swirling it in to the water. We observed how it went goey and gloopy. They also used teaspoons to fill small containers, so this week, we will be introducing more tools to manipulate the mix and with power paints. Why don't you have look at some other messy play ideas at https://www.bbc.co.uk/tiny-happy-people/mess-play/zr87qp3</p> 
<p>This week</p>		<p>Watch our red room staff sing and sign Old Mac Donald Had a Farm. See the video on our Facebook page at https://www.facebook.com/StrongCloseNS/videos</p>

Come and join in with our Free Story Telling Sessions from Dolly Parton's Imagination Library
