

This Weeks 'What's Happening'

Look out for our Christmas tree in the entrance which will be delivered this week. The children will then gradually come in small groups each day with their key person to each have a turn at decorating the tree.

To view this week's menu please visit the news section of our website and the Week 1 Menu. Why not try some of the Change4Life healthy recipes at home!

This week

Ice

Make a claw shape with dominant hand in front of you then move hand backwards towards you.

Our sign of the week this week is

"Ice".

Watch how to do the sign with Lucinda at

Tuesday
30th
November

Green room's Sensory Circuit takes place every Tuesday afternoon and Thursday morning. The children have opportunities to develop their sensory interests through touch, sights, sounds and movement. Visit Tiny Happy People to find out how children can communicate through movement and sounds at <https://www.bbc.co.uk/tiny-happy-people/SEND-speech-language-needs-how-children-use-bodies-actions-gestures/zxttwbn>

This week

In **red** room we have a fantastic new 'Wow' board which we hope to fill with lots of mark making and wow moments both at nursery and from home. If your child has achieved something amazing at home, please let the staff know so that we can celebrate this with your child. Visit Hungry Little Minds <https://www.bbc.co.uk/tiny-happy-people/science-and-facts> to read up about your child's development and the milestones which they will meet as they progress and develop.

Wednesday
1st
December

Today is our alternative dressing up Children in Need day for everyone that missed it during the recent class closures! Children can get dressed up, wear their favourite outfit or perhaps something spotty or yellow. We will also have dressing up outfits at school.

This week

In the outdoor play area the children have been exploring the crispy frozen leaves. Some have been walking through them, listening to the crunching sound whilst others have been throwing them in the air, watching as they fall to the ground. This week in the three year old rooms, we are bringing the outdoors indoors, with an Autumn sensory tray. We will use our senses to explore the textures, smells and sounds. Why not go on an Autumn walk with your child and collect leaves for your own sensory tray.
