

This Weeks 'What's Happening'

Keighley Imagination Library. Did you know that all under-5s living in Keighley East, West or Central wards can get a **FREE** age-appropriate book **every month** from birth to their fifth birthday, which they receive addressed to them in the post. This means that from birth your child could build up a library of 60 books!

Sign up your child for the Imagination Library programme at

<https://imaginationlibrary.com/uk/affiliate/WYKKEIGHLEY/>

To view this week's menu please visit the news section of our website and **Week 4 Menu.** Why not try some of the **Better Health, Healthier Families** recipes at home!

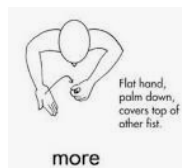

This week

The Sign of the week this week is
"More"

Watch Lucinda and family make the sign at

https://www.youtube.com/watch?v=eTn9Fmmpw_U

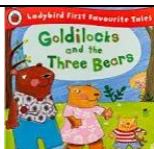

This week

In **red** room last week the children have continued to enjoy exploring ice. We added pom-poms in the water before freezing it and the children talked about the colours that they could see in the ice. Some children are also showing an interest in flowers and in particular the petals on the flowers. This week we will be adding petals to water before freezing and watering cans with warm water for the children to pour over the ice and watch it melt. Exploring nature is a great way to introduce new words to your child. Why not visit <https://www.bbc.co.uk/tiny-happy-people/exploring-nature/zvpvy9q> and enjoy a nature walk with your child.

Tuesday 8th February

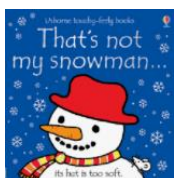

Come and join our **Imagination Library Story Telling sessions today at 9am**, where we will be reading **Goldilocks and the Three Bears** (January book for children born in 2019) and **Funnybones** (January book for children born in 2018). Please book a place at office@strongclose.co.uk or telephone 01535 605272

This week

In **green, yellow and blue** rooms, last week the children were interested in movement when rolling large and small balls down our hill outside, with pipes and guttering. Next week, will we will be lining a tray with paper, dipping balls in the paint and rolling them across the paper so they can see the marks they make as they move. Ball games are a great way to practice turn taking skills with children. Why not visit <https://www.bbc.co.uk/tiny-happy-people/passing-a-ball/zng8qnb> for some simple ball game ideas.

Watch Rafiana from **red** room read their core story this half term That's Not My Snowman by Fiona Watt in punjabi.
