

This Weeks 'What's Happening'

This half-term to enjoy some family time together. Why not walk to your local library; enjoy the fresh air and create a story as you go along. There are so many things to see in everyone's local area; look up - what can you see on the buildings around you? Look around - what wildlife can you spot in the gardens or on the walls? Check out the clouds – what shapes are they making? At **Keighley Library** why not join author **Jenna Drury**, for a story performance of her book **Cloud Tales** on **Wednesday 23rd February at 2.30-3.30pm**. Tel 01535 618212 for more information

To view this week's menu please visit the news section of our website and **Week 1 Menu**. Why not try some of the **Better Health, Healthier Families** recipes at home!

This week

In **red** room last week we have been focusing on turn taking skills. This week at group time we will be playing games that allow children opportunities to take turns including rolling a ball to one another and saying, 'Your turn. My turn.' Why not visit <https://www.bbc.co.uk/tiny-happy-people/talking-and-taking-turns/zhnqqp3> to find ways to introduce turn taking at home.

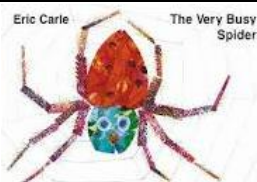

This week

In **yellow** and **blue** rooms, last week some of the children went to Asda with a shopping list to buy ingredients to bake gingerbread. This week, we will be following a recipe and baking gingerbread people to link to our core story. In addition, we will be writing our own recipes. Why not pick up a recipe in the entrance to bake some at home and they can chop and mix the ingredients while you chat about what you are doing. See 50 things to do before you are five **#47 Great Bradford Baking** for more ideas.

Great Bradford Baking

Make some tasty food for all the family. Children love to help with cooking and

Watch **green** room sing **Insey Winsey Spider** to link to their core story **The Very Busy Spider by Eric Carle**
