Tuesday mornings and Thursday afternoons

Green room's Sensory Circuit takes place every Tuesday morning and Thursday afternoon. The children have opportunities to develop their sensory interests through touch, sights, sounds and movement. Visit Tiny Happy People to find out how children can communicate through movement and sounds at <https://www.bbc.co.uk/tiny-happy-people/SEND-speech-language-needs-how-children-use-bodies-actions-gestures/zxttnwb>

Wednesday 16th March

In **blue**, **yellow** and **green** rooms, our letter of the week is "a". You can practice the correct phonetic sound for "a" by watching the letter video at with Evie and Dodge on Cbeebies at :-

#33 Home from Home
Making dens is a favourite childhood pastime. Children love to create a special

In **red** room last week the children have been playing in dens and putting toys in boxes as part of the enveloping and enclosing schemas. This week outside the children will be making dens and indoors they will be wrapping boxes and toys in paper which will also help to develop their scissor skills. Try making some dens at home. This week

In **yellow**, **green** and **blue** rooms, the children have been talking about and drawing obstacle courses outside. Building obstacle courses together is a great way to build your little one's motor skills and teach them about teamwork. This week we will be building an obstacle outdoors and introducing positional language such as over and under. Why not visit <https://www.bbc.co.uk/tiny-happy-people/building-obstacle-courses/zh7nv82> for more ideas.

Watch Sabahat from **red** room read their core story **Fluffy Chick** by Rod Campbell.
