Tuesday and Wednesday

Eid Mubarak to all our children, staff and families celebrating Eid on **Tuesday**. As we will have less staff in school on **Tuesday** our non-Muslim staff and children attending may be moving classes just for this day so we can ensure statutory ratios and children's health and safety. Then on **Wednesday** will be celebrating with an Eid party including activities such as, painting Mehndi patterns, party food and dancing. The children can dress up in their **Eid /party clothes** and therefore we will not have any messy activities out.

In **red** and **purple** rooms this week to enhance the children's interests in playdough we will be making playdough with the children. They will measure, pour and mix the ingredients together. This is a great sensory experience which can encourage communication and language and mathematical thinking. Why not try making playdough at home together
