**This week**

As it is the end of the term, this week in **all the classes** the children will learn about looking after our nursery by helping to clean the toys and resources. They will use small sponges, cloths, dust pans and brushes, brooms, bowls and washing lines with pegs so they can be little helpers. This will include washing the dolls and their clothes and pegging them out on a washing, cleaning the bikes, sand toys and much more. Being a little helper is a great way to encourage new language and to help children feel valued, independent and grown up. Why not encourage your child to help at home; visit
