In **red** and **purple** rooms the children have been busy mark making with paint, pencils and crayons, so this week we will enhance this interest by making marks with fingers in the sand tray following patterns including spirals, zig-zag and wavy lines. In **yellow**, **green** and **blue** rooms, the children have been playing lots of games with balls such as rolling balls down the hill. Playing ball games is a good way to develop turn taking and social skills.
