<p><b>This week</b></p>	<p>In <b>red</b> and <b>purple</b> rooms last week the children made picnics in the home corner for the nursery bears. This week we are going to extend this play outdoors and the children will have the opportunity to help prepare a picnic snack to share outdoors with their peers. <p><b>This week</b></p>	 <p>In <b>yellow</b>, <b>green</b> and <b>blue</b> rooms, last week, the children have been busy using the camping sets and tents. They have been making 'food' in the mud kitchen and bringing it to their campsite. Next week, we will be adding resources to the mud kitchen to enable them to pour and mix different textures, smells and colours together. <p><b>This week</b></p>	<p>As it is the end of the half term, this week in all the classes the children will learn about looking after our nursery by helping to clean the toys, shelves and resources. They will use small sponges, cloths, dust pans and brushes, brooms, bowls and washing lines with pegs so they can be little helpers. This will include washing the dolls and their clothes and pegging them out on a washing, cleaning the bikes, sand toys and much more. Being a little helper is a great way to encourage new language and to help children feel valued, independent and grown up.
