This week across the school classes

This week the children in all classes will be helping to wash and clean the toys and peg out the washing on washing lines, so let's hope the weather stays dry! This will help the children to understand about looking after our nursery environment. Visit Tiny Happy People's Washing Up Game to find out how this can also help develop your child's language at

This week in the 2-3-year-old rooms

Little People Park Ke...
Adventures in the park.
Happy hearts and happy faces. Happy play in grassy

In **red** and **purple** rooms, the children have been exploring sensory textures when making playdough. This week we will be adding autumnal resources such as pine cones, conkers, leaves and sticks to the playdough area to explore, feel and make imprints with. Why not visit **Cliffe Castle Park** for free to explore and discover some autumn treasures. Visit **50 Things To Do Before You're Five #28 Little People Park Keeper** for more ideas. This week in the 3-5-year-old rooms

In **blue**, **yellow** and **green** rooms following on from the children's interest in the core story, **'So Much'** the children baked a birthday cake together, taking turns to weigh, scoop and pour the ingredients. As they stirred they commented on how the mixture came together and changed consistency. This week, we will be enhancing the home corner with resources to create a birthday party. This will give children the opportunity to talk about their special events and help them to understand past and future tenses.
