We would like to make you aware of car parking options around school and there is a map on the reverse of this letter, to further explain the points below.

**Please note that the front car park and the double yellow lines outside school are for disabled use only, as we have a number of children with needs on specialist provision places at Strong Close. The zig zag lines outside school must not be parked on at all at any time-this is for the safety of all children and families.**

There is the option of parking on Valley Road and then walking through the safe pathway (marked in red) and along Ribble Street to get to school.

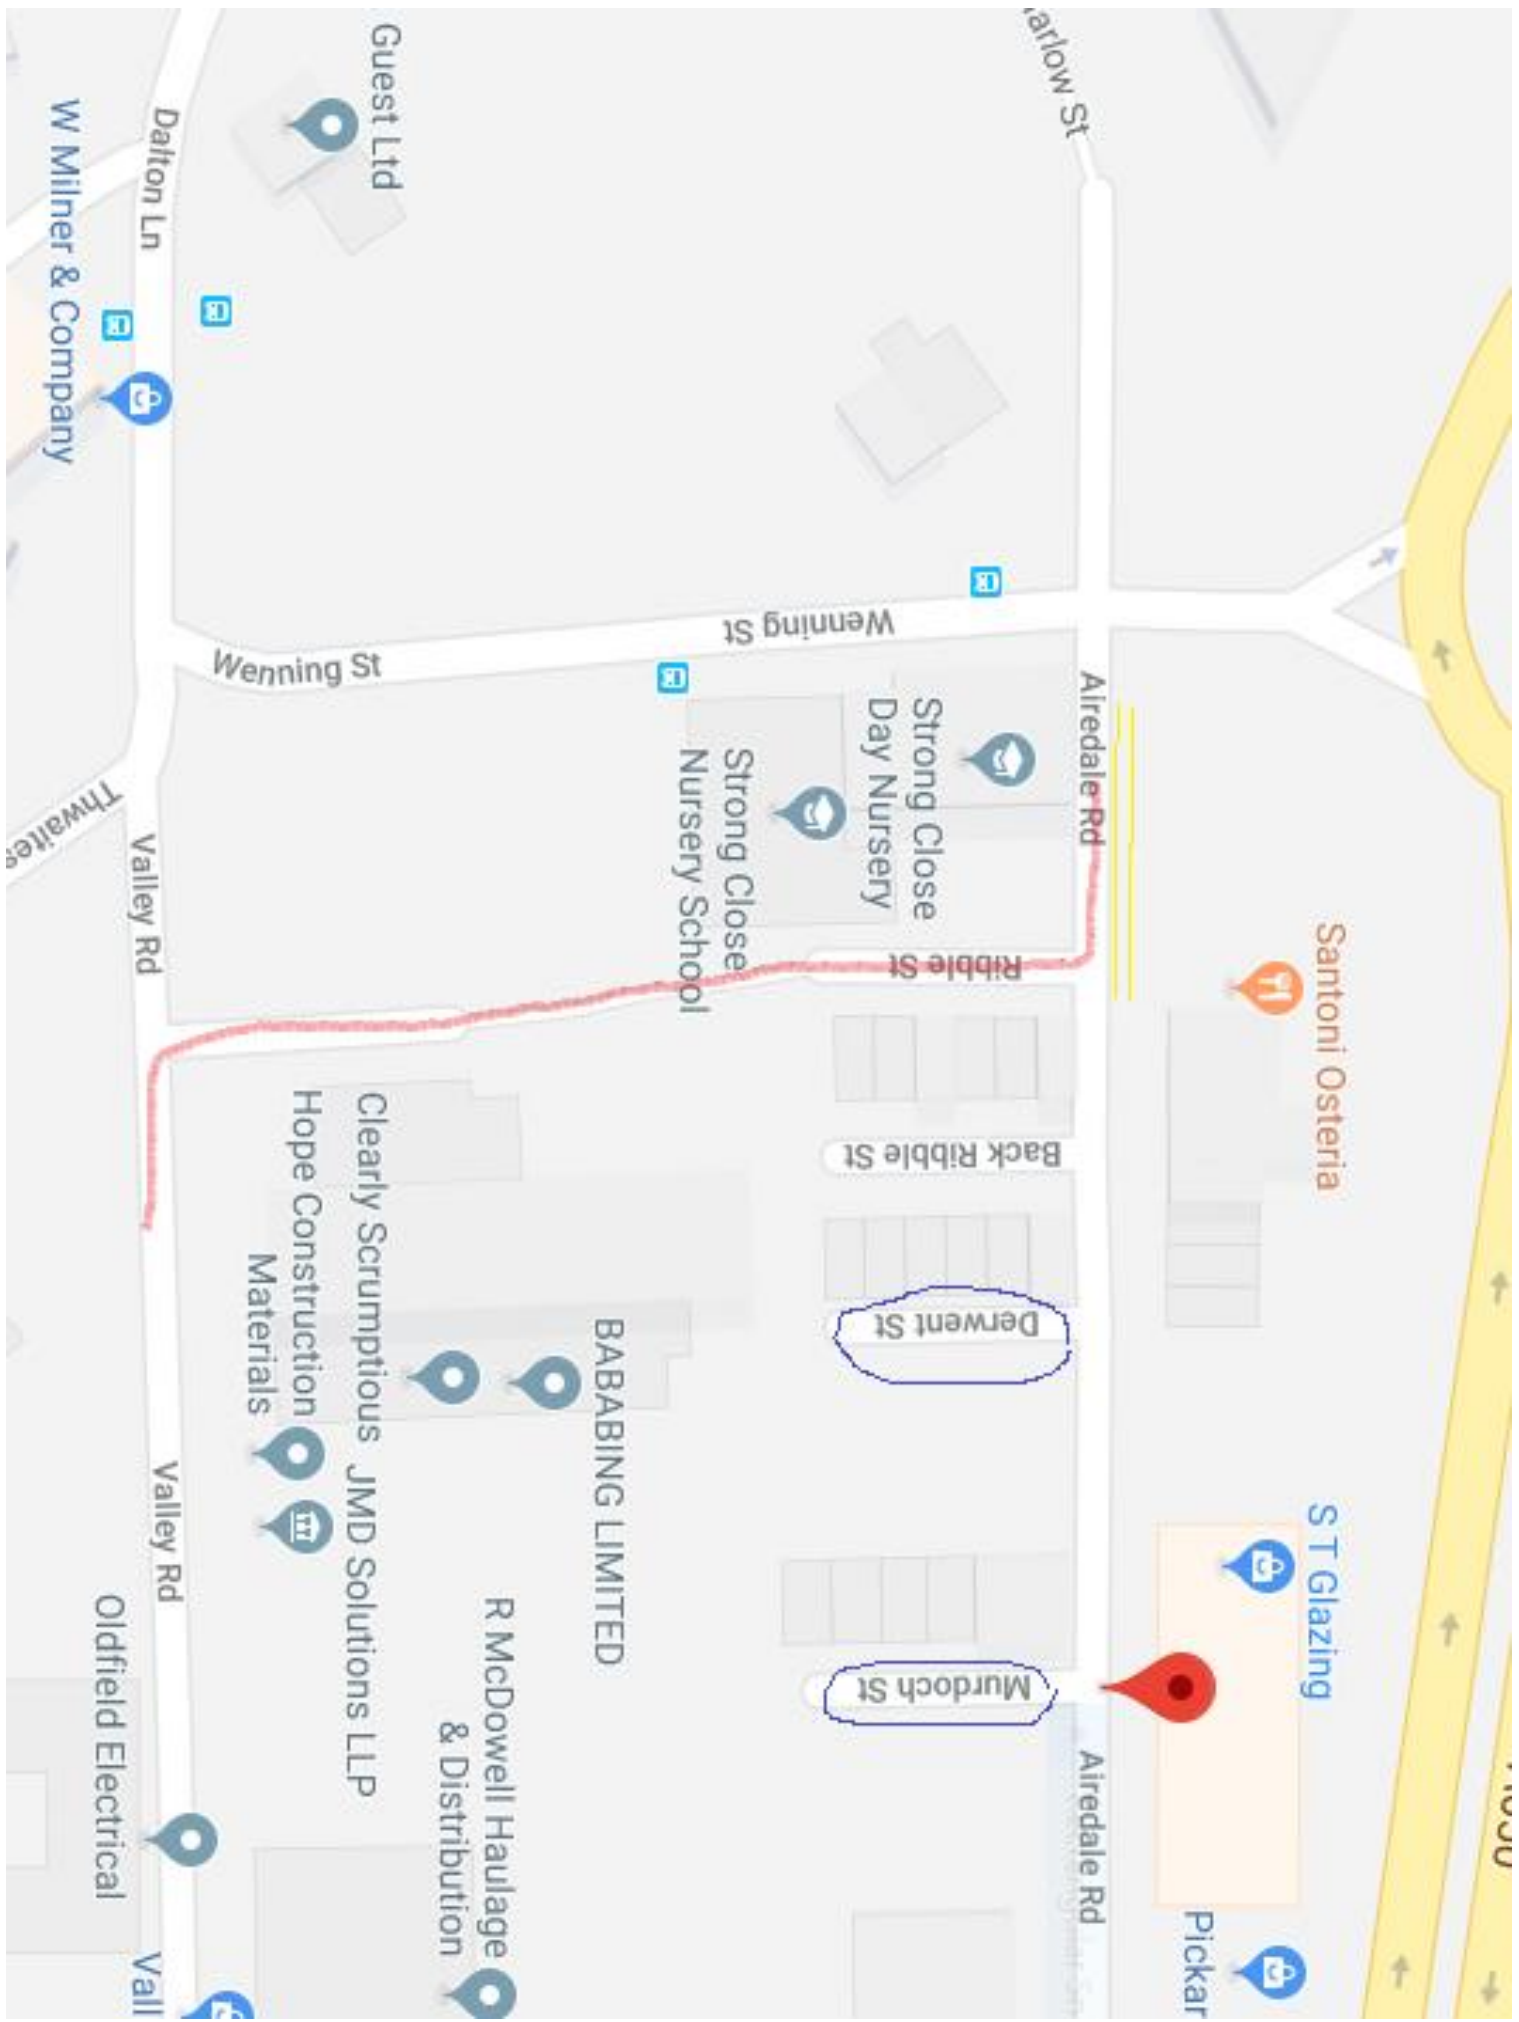

Please note that Derwent Street and Murdoch Street (circled in blue) are private roads for residents parking only.

We appreciate your cooperation in this matter and thank you. If you need any further information please do not hesitate to ask.

Yours sincerely

Helen Jones
