

This Weeks 'What's Happening'

Bin the Bottle Exchange. Don't forget you can bring in your child's bottle with a teat, and bin it in in our entrance in exchange for a new **free flow drinking cup and a free toothbrushing pack.** Did you know that children over one year should no longer use a dummy or bottle with a teat as these can delay your child's speech and negatively affect their oral health. You can bring in your child's bottles until **25th February** and the office can give you the free packs!

This week

The Sign of the Week this week is **"Fish"**

Watch Lucinda make the sign at <https://www.youtube.com/watch?v=WEBKgwvnnbA>

This week

Have you seen our new fish tank and fish in the entrance? Each class will have their own week to be responsible for feeding the fish everyday and learn how to look after them. They will also have an opportunity to name their own class fish. Which one is your favourite?

This week in all the classrooms

This week the children in all classes will be helping to wash and clean the toys and resources before the half term holiday. This will help the children to understand about looking after our nursery environment. Visit Tiny Happy People's Little helper and he Washing Up Game to find out how this can also help develop your child's language at
