

This Weeks 'What's Happening'

A very warm welcome back to all our returning parents, staff and children and a new welcome to all our families starting this term. We hope you have had a restful and peaceful Easter holiday. **Our existing children** on roll will start again on **Tuesday 18th April**. Any new children will have received their start date from next week in their letter sent in the post.

This week

In all the rooms this week we will be settling our existing children back into our daily routines. We will be identifying any interests and schematic or repeated patterns of play which they might engage in. As children grow older different schemas start to appear. Some may be fleeting; others last for longer. It's common to notice two or three strong ones during a child's earliest years. As the weeks progress so that we can use them to plan activities in the coming weeks. See the link below for more information on schemas.

Friday 21st April

Eid Mubarak to all our children, staff and families celebrating Eid today at home. As we will have less staff in school on **Friday** our non-Muslim staff and children attending may be moving classes just for this day so that we can ensure statutory ratios and children's health, safety and support.

Watch **blue** and **yellow** room staff sing **Wind The Bobbin Up** from Bradford Libraries Rhyme Challenge. See all the Rhymes at <https://www.bradford.gov.uk/libraries/children-and-young-people/rhyme-challenge/>
