

This Weeks 'What's Happening'

Those parents/carers of children that will be leaving us in July (because their child is the correct age to move onto school in September), will have received details last week of their child's **primary school allocation**. For further information on school admissions and appeals please visit the link below.

Wednesday

Today is our **Eid and Coronation Garden Party** day for the children, who can get dressed up in their Eid clothes or special party clothes and there will be no messy activities in class on the day. There will be dancing and games and a selection of food including coronation chicken sandwiches, quiche, samosas and special cup cakes.

This week

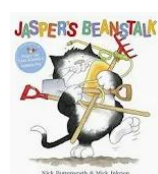

Last week in **yellow, green and blue** rooms, the children were interested in the new stepping stones outside. This week we are going to introduce the children to the climbing equipment where they will have the opportunity to move in various ways such as slithering, crawling and sliding. Why not take a trip to the park - they are great places for your child to learn action words and improve their hand eye co-ordination and gross motor skills. To find out more why not visit

This week

Last week in **red and purple** rooms the children joined in with our Community Planting day and were interested in the minibeasts they found. This week they will be exploring and identifying insects on our nature trail. See **50 Things To Do Before You're Five #9 Mini Beasts and Bug Hunting**.
