

Our Nursery Trip to Hesketh Farm Park at Bolton Abbey

June 2023

The children visited the goats and gave them some food.

Can you see Z
holding his hand
out to feed the
goats?

We visited the horse, ponies and donkeys.
Some of the children stroked them.

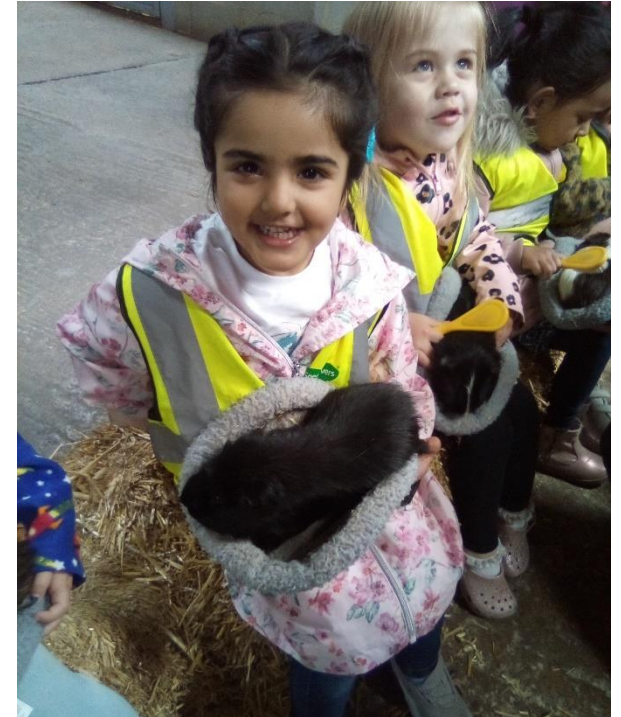

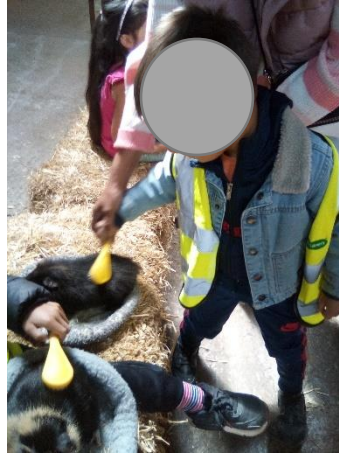

We went on a paddock walk where we visited the saddleback pigs.

One of the pigs had some piglets, can you see them having something to eat?

We all had a go at holding and brushing the Guinea pigs.

A gave the
Guinea pig a
drink of water.

Do you think it
was thirsty?

E and her Daddy brushed the Guinea pigs coat.

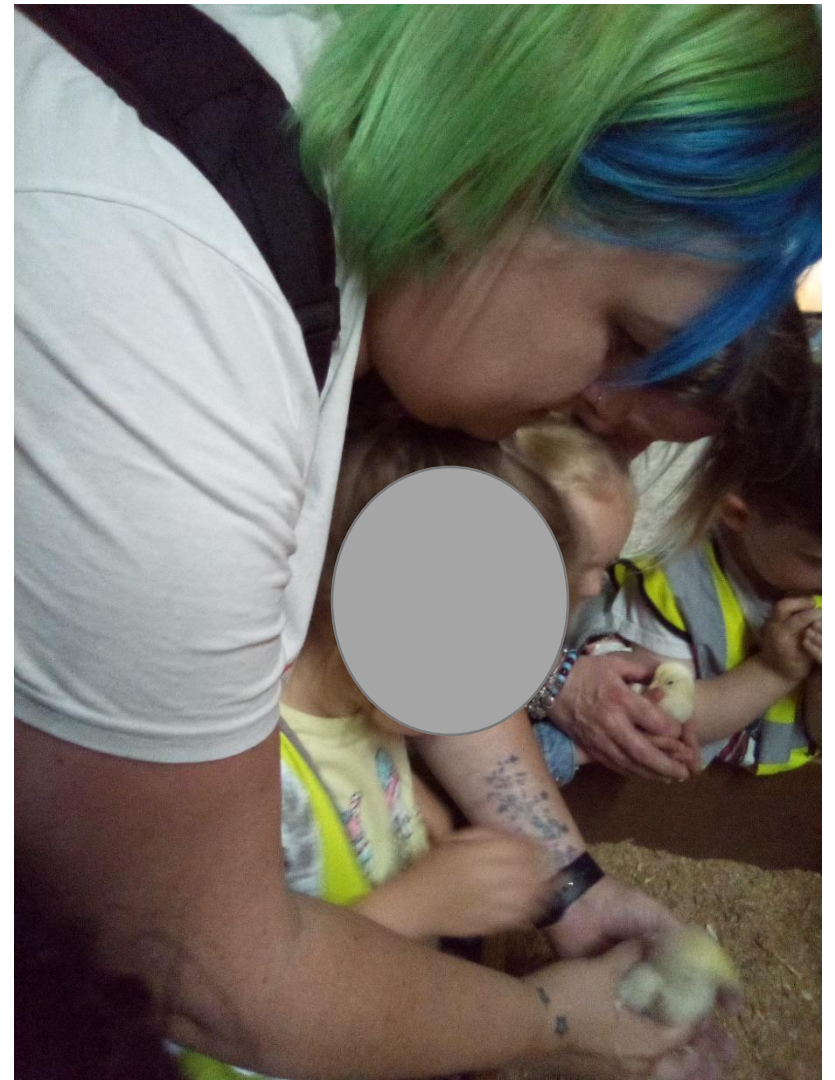

Can you see how many eggs we collected from the hen house?

Everyone went on a tractor ride with Farmer Chris to see the bull, cows and sheep in the fields.

We carefully held the chicks.

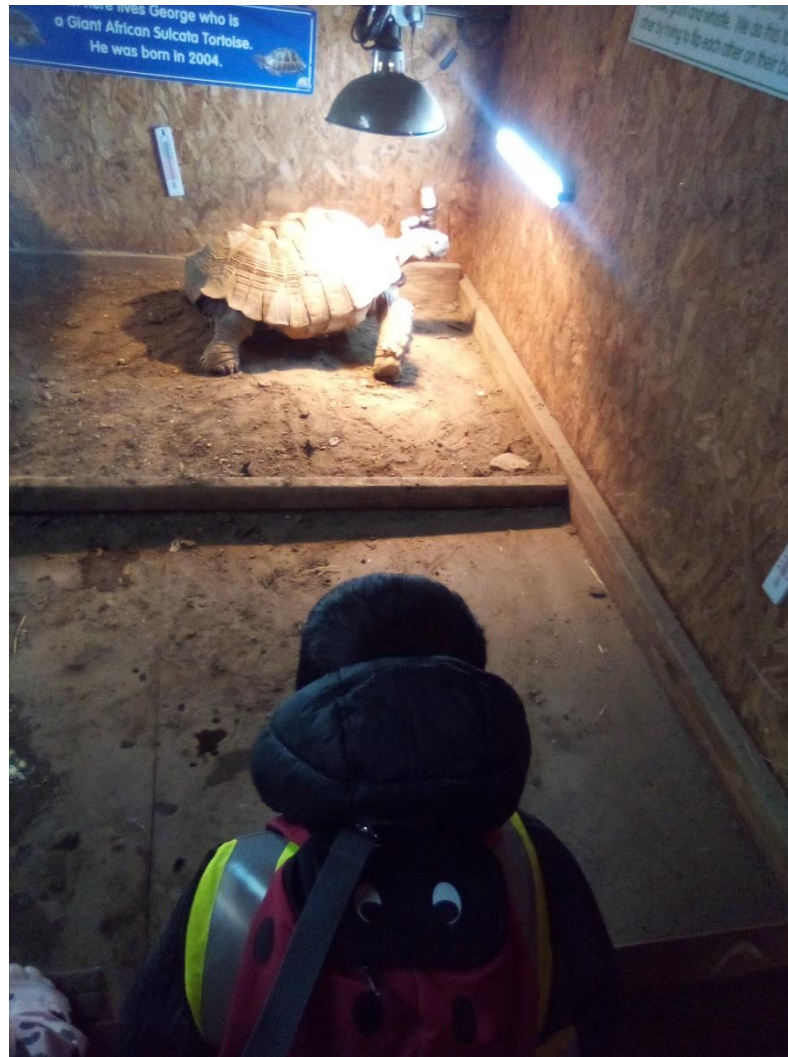

Driving our own tractors.

We looked at the large tortoise.

We helped to weigh and mix the milk for the calves.

Everyone helped to feed the calves.

When we finished looking at all the animals we had time to play.
