

This Weeks 'What's Happening'

It is already near the end of this academic year and we will be sad to see our children and families leave, but excited for the next stage in their learning journey. This week our leavers will be receiving their reports and an end of year questionnaire has been emailed out to all our families. Your feedback is very important to us so that we know when we're doing things right and can plan for areas we need to develop. Thank you.

Please see your email for our alternative menu this week. Why not try some of the Better Health, Healthier Families recipes at home! Visit <https://www.nhs.uk/healthier-families/recipes/>

This week

Our sign of the week is

Rain

Watch Lucinda and family make the sign at

<https://www.facebook.com/watch/?v=1282862402060348>

This week

In **red** and **purple** rooms the children continue to develop ball skills of rolling and throwing and catching. This week we will be rolling other objects such as large bobbins. At home why not extend ball rolling skills with the **Homemade Skittles** activity from **Tiny Happy People**. Visit

<https://www.bbc.co.uk/tiny-happy-people/homemade-skittles/zjq6xyc>

This week

In **yellow**, **green** and **blue** rooms last week the children have loved looking at a real fish in class and exploring its different body parts. The children have created some wonderful drawings and they have extended their descriptive language. So this week the children are going to be looking at our African snails. Why not go on a minibeast hunt and find out about these fascinating creatures which live all around us.
