This week in red and purple rooms

In **red** and **purple** rooms, the children have been mixing herbs in the mud kitchen outside. We will extend this interest by introducing teapots, cups, saucers and teabags to the mud kitchen with water. Visit the **BBC's Tiny Happy People Teddy Bear's Picnic or Tea Party** to extend this play at home. To find out more visit <https://www.bbc.co.uk/tiny-happy-people/teddy-bear-picnic/zhcd8xs>

This week in the 3-5-year-old rooms

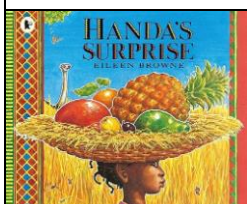

In **blue, yellow** and **green** rooms the children have been paint mixing and finding out how to make new colours. This week we are going to use our senses to explore different materials such as cornflour and shaving foam. Why not visit the **BBC's Tiny Happy People** and try making your own sensory table at home using different household materials and items.
