rooms**

In **red** and **purple** rooms, the children have been making impressions with playdough using natural, autumnal resources such as pine cones, conkers, leaves and sticks and printing with sponges and paint. This week we will be printing with different sized and shaped objects and also adding autumnal resources to the mud kitchen outside. year-old
rooms**

In **blue**, **yellow** and **green** rooms before the holidays during our cleaning week the children helped to tidy the planters containing the sunflowers. This led to a discussion about what we can grow in the garden to look at and to eat. So this week the children will be making their own pumpkin soup. Why not visit
