

Nursery Visit from Raymond and his Guitar

December 2023

Raymond came to nursery to play his guitar for the children. First we listened to the sound of the guitar when he strummed the strings.

Raymond had been practicing playing our favourite nursery rhymes at home, so we could all sing them at nursery.

Do you think you would like to learn to play the guitar?

Can you see Raymond looking at his sheet music which he put on his stand?

We all sang along to our favourite nursery rhymes such as Twinkle, Twinkle and Miss Polly had a Dolly.

Can you remember which
was your favourite
nursery rhyme?

At the end we gave Raymond a big clap to say thank you for coming.
