This week in red and purple rooms

Last week the children in **red** and **purple** room explored pressing and squeezing objects with the playdough. This week as well as making our playdough and playing with it, the children can make their own saltdough impression piece of art that will dry in the air. Try making your own playdough at home. This Week

Bin the Bottle Exchange. Don't forget this week you can bring in your child's bottle with a teat, and bin it in in our entrance in exchange for a new **free flow drinking cup and a free toothbrushing pack.** Did you know that children over one year should no longer use a dummy or bottle with a teat as these can delay your child's speech and negatively affect their oral health.
