

This Weeks 'What's Happening'

Bin the Bottle (and dummy!) Exchange. You can bring in your child's bottle with a teat and /or their dummy and exchange it for a **new free flow drinking cup and a free toothbrushing pack.** Did you know that children over one year should no longer use a dummy or bottle with a teat as these can delay your child's speech and negatively affect their oral health.

This week in red and purple rooms

Last week the children in **red** and **purple** room explored making salt dough impressions and started to explore and talk about the shapes of objects. So this week we will be exploring and talking about our shape blocks and drawing around them to learn about the properties of shapes and their similarities and differences. To find out about **How Toddlers Start Grouping Things By Shape** visit the **BBC's Tiny Happy People** for more information at

Every Week

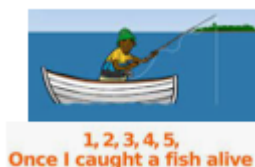

Sensory Circuit takes place every week for children in **purple** and **green** rooms. The children have opportunities to develop their sensory interests through touch, sights, sounds and movement. Visit **Tiny Happy People** to find out how children can communicate through movement and sounds at <https://www.bbc.co.uk/tiny-happy-people/SEND-speech-language-needs-how-children-use-bodies-actions-gestures/zxtwnb>

This week in blue, green, and yellow rooms

In **green, yellow** and **blue** rooms last week the children have been talking about our core story book '**The Journey**' and have been discussing the different locations within the story. Next week we are going to develop our own stories using small world equipment such as play people and animal sets. Pretend role play gives your child the opportunity to take the lead and learn and explore imagination and creativity. Visit the **BBC's Tiny Happy People** for more information. <https://www.bbc.co.uk/tiny-happy-people/pretend-role-play/zvp88xs>

Watch **green** room staff sing **"1, 2, 3, 4, 5, Once I Caught a Fish Alive. "**
