

## This Weeks 'What's Happening'

**Ramadan Mubarak!** The holy muslim observance of Ramadan has just begun, when many of our families will start a month of fasting. Through our group times and Ramadan display, the children will have the opportunity to talk about and explore this special time.

The children have also been learning about new life and it will soon be the christian festival of Easter in the holidays, which will start this **Friday 22nd March**. We would like to wish everyone a **Happy Easter** and we look forward to seeing you on **Tuesday 9th April** when the school will open again after the Easter Holidays.

As it is the end of the term, this week in **all the classes** the children will learn about looking after our nursery by helping to clean the toys and resources. They will use small sponges, cloths, dust pans and brushes, brooms, bowls and washing lines with pegs so they can be little helpers. This will include washing the dolls and their clothes and pegging them out on a washing, cleaning the bikes, sand toys and much more. Being a little helper is a great way to encourage new language and to help children feel valued, independent and grown up. Why not encourage your child to help at home; visit
